Dale Hill Hotel & Golf Club

Dale Hill is located in magnificent, historic 1066 English countryside with breathtaking views across the High Weald ridges and valleys of East Sussex, and is a member of the prestigious Leaderboard Golf Group. Our Modern, four star hotel includes an indoor pool, sauna and gym, along with two great golf courses Dale Hill is the ultimate venue in the South East to bring your Society or Corporate Golf Day.

The Ian Woosnam designed Course

Constructed in 1997 to USGA specifications, our Ian Woosnam-designed course is a par 71, 6512-yard course demanding- and rewarding accuracy off the tee. There are many spectacular challenges throughout the course including the 16th, a tightly -wooded hole across a deep, vegetation-filled gully requiring an unerring shot up over the gully to a tricky green. Woosnam says: "The course has been designed to have the perfect balance."

Dale Hill Course

The well established Dale Hill Course, built in 1973, is rich in wildlife and mature woodland with a course length of 5,856 yards, and a par 69. With stunning views across the Sussex Weald, this course features a splendid mix of individual holes. The front nine is parkland while the back nine is heavily wooded, challenging even the most experienced golfer
